

## Adaptive Creative Dance

Spring session: April 8 – May 13

Thursdays - 4:30-5:30 p.m

At the Center for Performing Arts – 3754 Pleasant Ave. S, Minneapolis

Young Dance offers Adaptive Dance Classes for boys and girls, ages 7-12, living with mobility impairments. We will focus on positive body awareness, creativity, teamwork, motor co-ordination, and personal expression.

\$40 session (financial assistance is available)

Students are required to register for class with a support partner. If this is a barrier in signing up for the workshop, please contact us.

Please note that dance is exercise. Your child might be moving muscles that they have not moved in a while or past. Muscle soreness may result by new muscle engagement.
