The Company

The Company is currently composed of 30 boys and girls ages 7 to 18.

Young people are invited to join The Company because they are interested in creative expression and in letting their unique voice be heard. They love to be challenged physically and are excited when they are introduced to new possibilities of movement.

During the academic year, The Company meets twice a week for a total of four hours. On weekdays, dancers meet in age-specific groups to focus on developing technical and choreographic skills. On Saturdays, everyone comes together to make original dances under the guidance of professional dance faculty. The program not only trains young dancers, but also places equal value on developing thinking artists. Over the years, several Company alumni have continued to dance and choreograph after high school.

COMPANY AUDITIONS

We look for youth who have an openness to create and a willingness to be part of an artistic family. Auditions are informal, just like taking a dance class. Previous dance experience is not required!

Auditions are held in the spring and fall. For more information, please call (612) 423-3064

Common Questions

WHAT IS MODERN DANCE? Modern Dance was born in the early 20th century when a few dancers in Europe rebelled against the rigid constraints of classical ballet. Since then, many different styles of modern and contemporary dance have developed. Modern choreographers (dance-writers) draw on many different cultures and dance forms to make their own original dances.

Our modern dance classes mix traditional technique to develop strength, coordination and flexibility with an emphasis on nurturing the dancers' creative skills through improvisation and composition. Through dance, our students develop a sense of themselves as movers and as thinkers.

WILL I NEED SPECIAL CLOTHES OR SHOES?

No, just wear comfortable clothes that are easy to move in. We dance barefoot, no tights required!

HOW DO I KNOW IF YOUNG DANCE IS FOR ME?
